London, July 15.—The American Committee of Engineers in London, recently formed to help in the prosecution of the war, has appointed a sub-committee whose chief function is to bring together accounts of such acts and words of the enemy as they think should be presented to the American people "lest we forget what a determined and ruthless enemy we are fighting." This was not the case at Mons, according to their own statement of the good behavior of the people.

Geers and Snow Tie in Circuit Harness Races

Free-For-All Pace Won by Single G. After Spirited Betting

COLUMBUS, Ohio, Aug. 9 .- Ed Geers and Snow tied for driving honors in the Grand Circuit races this afternoon, each handling a winner and a pair of place horses. with Judge Jones Geers won his secend victory of the season. Last week at
Kalamazoo the Judge connected. Today he wasn't favorite, but he tramped away with the decision in straight heats. Peter Schuyler, the first choice, had drivers changed in the third heat

without any results.

Snow's winner was Peter G., in the 2:15 pace, one heat of which was raced ahead of Wednesday's rain. Geers's Spy Direct was second in this race. Minnie Arthur was Snow's placer in the Judge Jones trot, and he put Letanna S. second to Lu Princeton, the Cox winner of the 2:15 trot.

Real excitement cropped out in the

ner of the 2:15 trot.

Real excitement cropped out in the free-for-all pace, the fiercest of the year, though the time was not the season's record on account of a slow track. Miss Harris M. raced for the first time this season, and betting was so heavy on her that she displaced Single G. as the forcette. on her that she displaced Single G. as the favorite. Single G. trimmed the mare in the stretch of the first heat, a typical Geers rush putting Russell Boy second. On the second trip Single G. was in front all the way, with Russell Boy again beating Miss Harris M. out for the place.

for the place.

Hal Boy was in the free-for-all pace, and suspension of the horse and driver, Dick McMahon, for ten days was announced at the end of the race. A fine of \$100 was put on also. The crime of not trying was the alleged cause for the Chevrolet Makes Fast drastic action. Later the announce-ment was made that the case would be reviewed, and it is possible that the sentence may be modified. The summaries follow:

N.Y. Cricketers Win Famous Halifax Cup

PHILADELPHIA, Aug. 9 .- By a brilliant victory to-day over the Frankford Cricket Club, of this city, with a margin of 171 runs, New York won the famous Halifax Cup, the pride of cricketers in this city and annually placed in competition by the Associated Cricket Clubs of Philadelphia.

The result was a sensational sur-prise. When play stopped last night the local team had notched 105 runs for the loss of one wicket, and although 205 runs behind was on practically even terms with New York, all out for 310. To-day, however, the ground

for 310. To-day, however, the ground favored the visiting bowlers, who made the most of their opportunity.

New York owed the signal victory to the splendid stand made by B. Kortlang, last year's Halifax cup batting champion, and T. B. Midlane, of Bensonhurst, who together put on 143 runs for the fall of the sixth wicket. It is the first time in the history of the Halifax Cup that this trophy has gone outside of Philadelphia.
